Squamish Days of Summer & the First Annual Boat Show at the Creek!

On Sept 7th, 8th & 9th, 2007 Mosquito Creek Marina hosted their first annual boat show. Guests showed up to view the nicest yachts on the water and enjoyed live music, which featured Bitterly Devine on a warm summer day.

The big announcements that were made at the boat show were:

- The possible expansion on A Dock (pending approval)
- Soon to come sea wall
- New Break wall development

We met our objective which was to help sell boats, develop the boating community on the North Shore and to promote this beautiful property.

We would like to thank the Squamish Nation Canoe Club for providing traditional drumming and singing. We would also like to give a big thank you to all the Yacht Brokers and the boating services that were in attendance at the boat show.

This event was one of a kind for the boating community and we look forward to seeing you all again at the 2nd Annual Boat Show

You found a distressed Seal Pup or Baby Mammal Now What?

- Mothers normally leave their babies to feed.
- If baby looks cold, hungry, diseased or confused or if dogs, other animals or people threaten its safety, call wildlife rehabilitation or the park ranger.
- **Otherwise, leave the animal and leave the area. A mother will not return if people or pets are present.**
